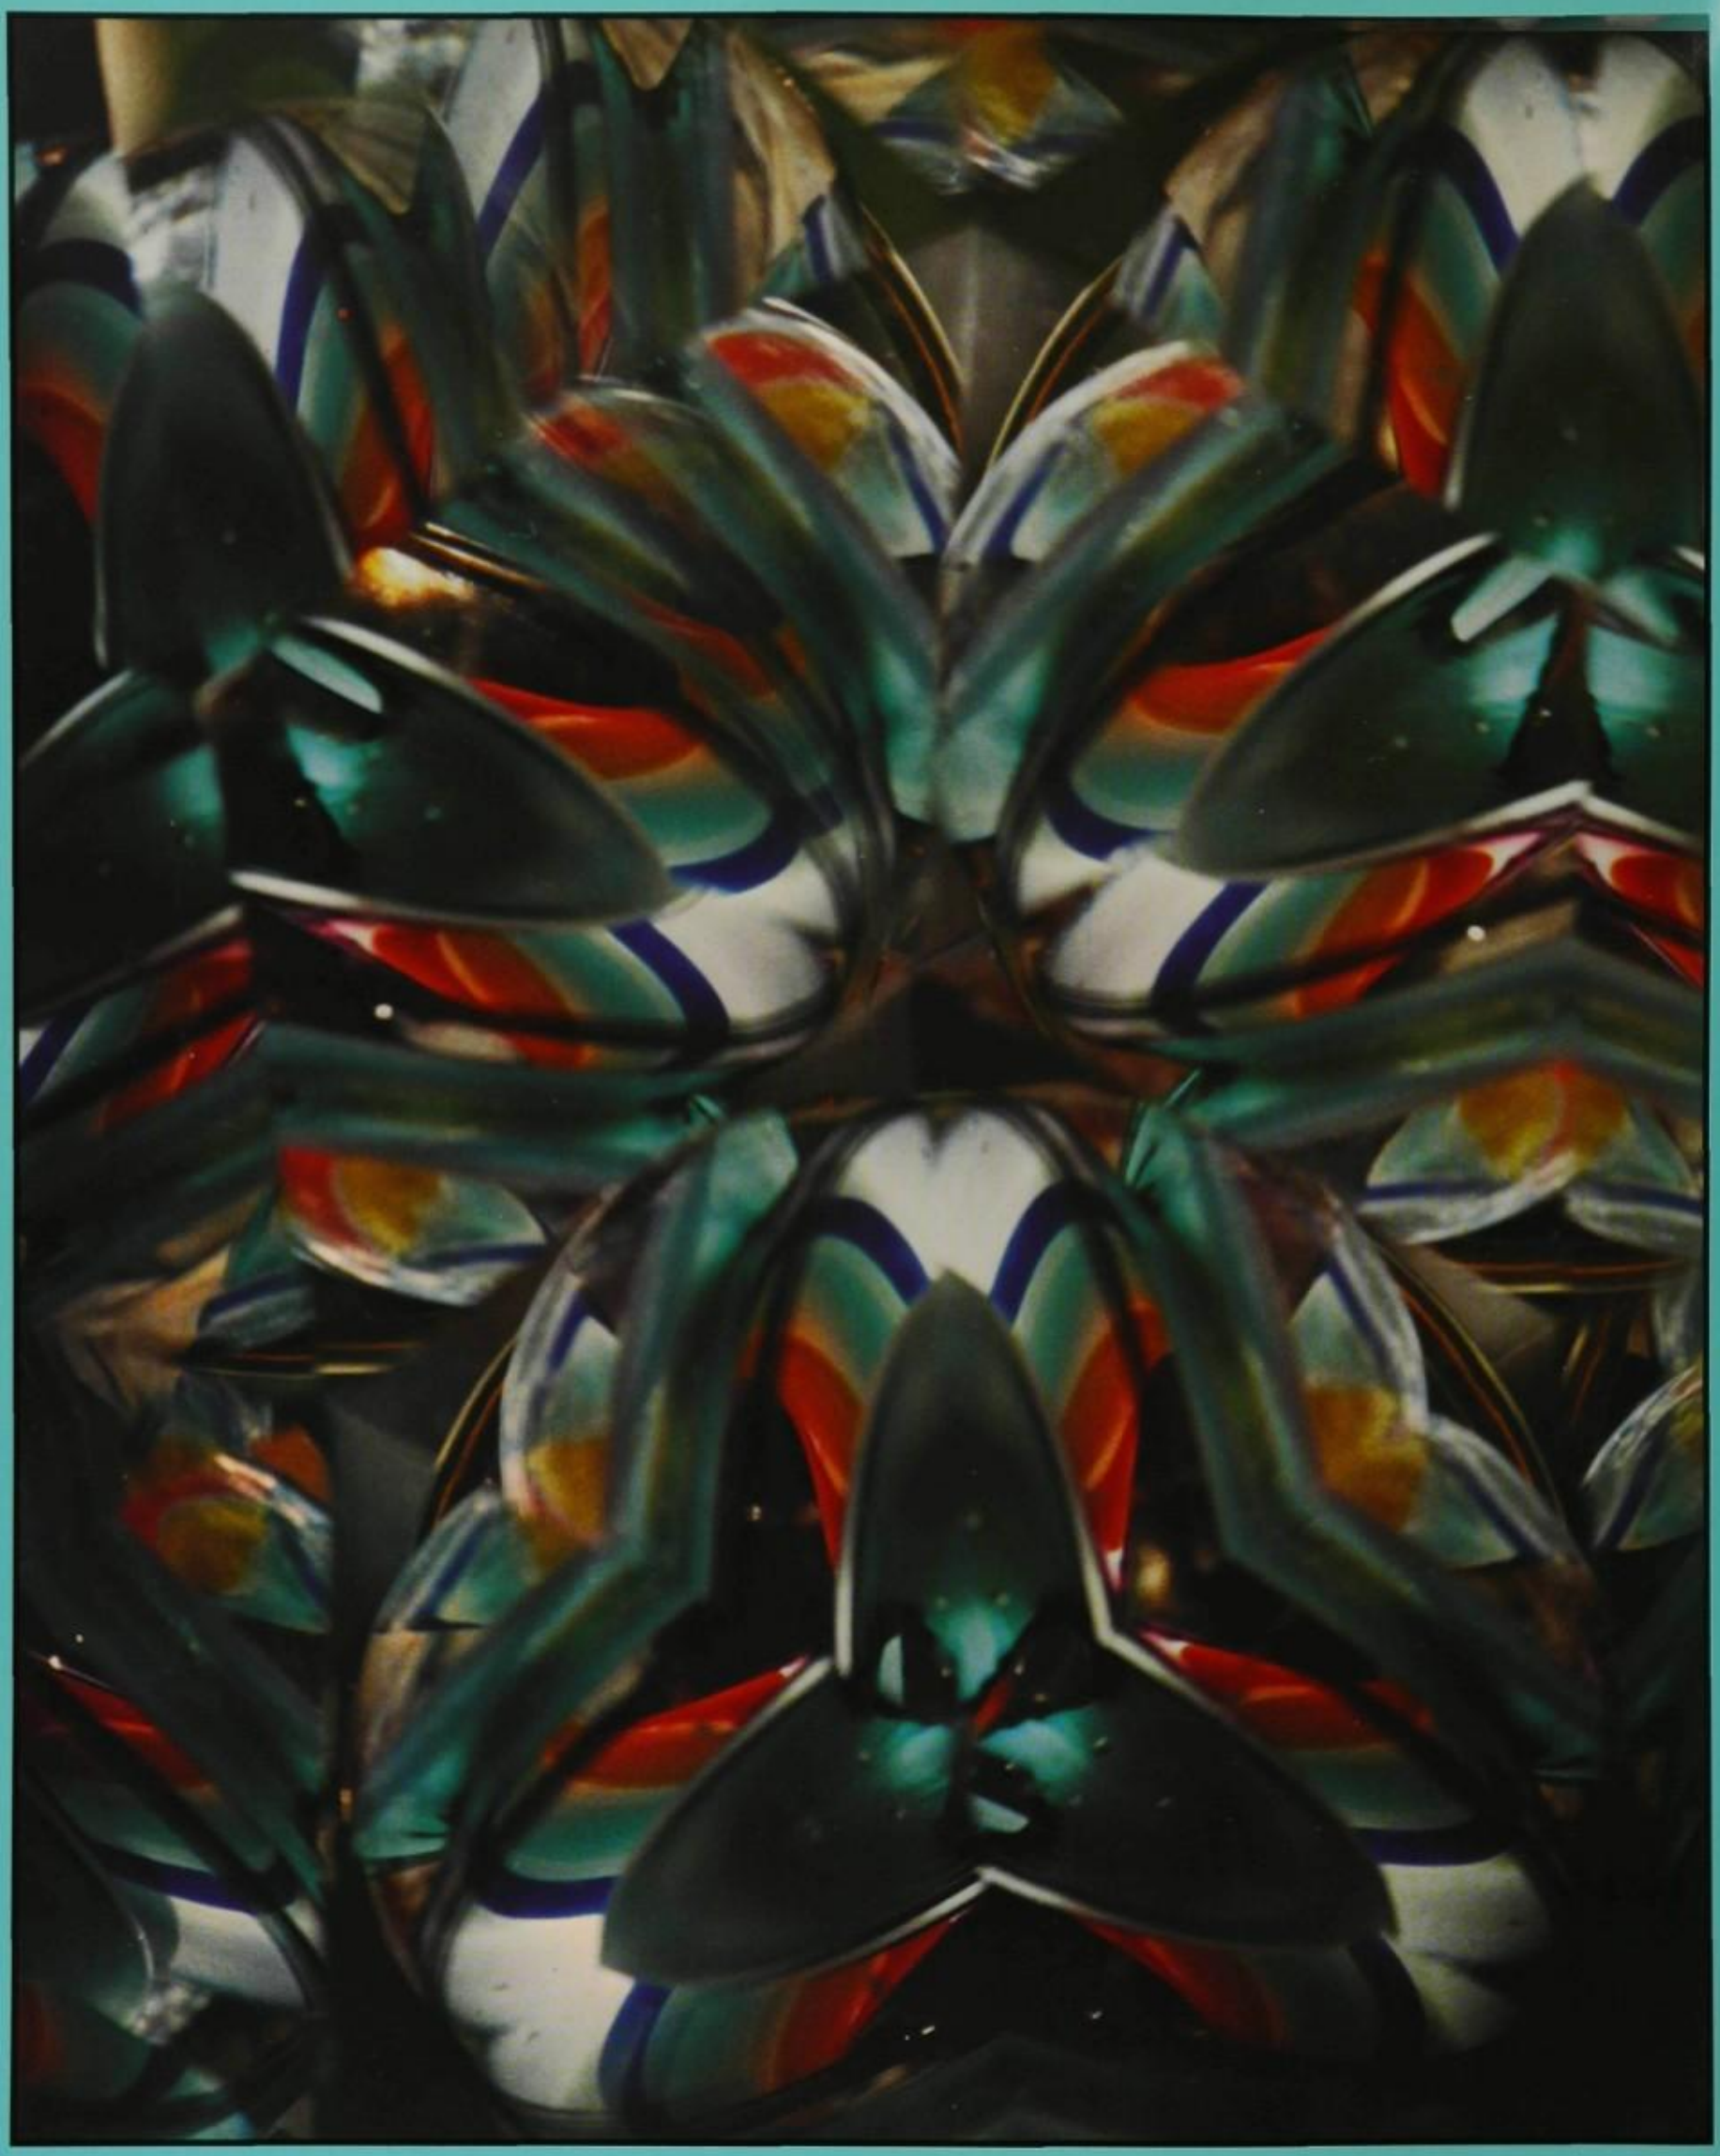
The Way We Were 102
A Global View 109
Arts 120
Clubs 130
Faculty 172



We the people that compose the class of 1988 are — just like our country, diverse. Our class has representatives from nearly every country and race, and it is this diversity that helps stimulate us to become high achievers at whatever we do.

To honor this diversity, we name our yearbook "KALEIDOSCOPE." A kaleidoscope, through a scattering of colored glass, transforms the energy of light into many beautiful, symmetrical patterns. So it is that the energy of the staff and students at C.R.L.S. have transformed the dissonance of contrasting programs, interests, cultures, and races into ever-changing but consistently harmonious configurations.

We present to you then, the class of 1988, the living kaleidoscope.

The vibrance and energy of the C.R.L.S. community is not only seen in it's exceptional academic performance but is also visible in every corner of the school. Whether it's people socializing between classes in the halls, or carefully planning the senior trip in the Student Service Center, the people of C.R.L.S. have always managed to achieve their goals, while at the same time enjoying themselves. Through a healthy interest in learning, a flair for resourcefulness, and a knack for having fun, the students and staff at C.R.L.S. have successfully reached the happy medium between work and play.

C.R.L.S.
Constitution

We the people of CRLS, in order to form a more perfect class, establish domination over other high schools, insure fundamental equality, provide for the funding of the class trip, protect the general welfare and secure the blessings of liberty to ourselves and in turn our friends, do ordain this Constitution for the Cambridge Rindge and Latin School.

Article 1

Section 1 — All Legislative powers granted shall be rested in a student government, and shall consist of the senior class executive board and it's advisors.
Section 2 — The executive board shall be composed of members of every house, chosen each senior year by the people of Cambridge Rindge and Latin.
Section 3 — The advisors shall be selected year by year by our supreme and all powerful, wise, and immortal ruler, the Edward Sarasin.
Section 4 — CRLS shall raise revenue through the endless pushing of M&Ms and donuts. Raffle tickets shall also be sold, all these should be done with the honesty and thoroughness characteristic of the students of CRLS.

Article 2

Section 1 — The executive power shall be vested in a president who shall be called Chip. He shall hold his office for a period of eight months along with his Vice-Prez, Sandra.
Section 2 — Chip shall from time to time give to the executive board the gift of pertinent information concerning the status of our fair school, and we shall all benefit from his wisdom.

AMENDMENTS

Amendment 1 — All students shall have the right to talk back to any student or member of the staff; all students should note that before practicing this right, they should be prepared to back themselves, or suffer the consequences.
Amendment 2 — Students shall not bear arms; for true warriors of CRLS shall not need arms, but only the swiftness of tongue, wiggle of neck, suck of tooth, and roll of the eyes necessary to put anyone in their place.
Amendment 3 — All houses shall be considered equal.
Amendment 4 — All students shall have the right to keep the contents of their lockers private. All students shall also have the right to gather at their lockers and

enter them at any break in the day. Any act to deny a student this right shall be considered immature and an act of the administration to further inhibit the students in their endeavors to become better students.

Amendment 5 — All students shall be innocent until such time as they admit to being guilty. No punishment shall be excessive of what the student actually deserves.

Amendment 6 — Students shall have the right to be excused from all forms of punishment upon presentation of an excuse or excuse note.

Amendment 7 — All students have the right to party.

Amendment 8 — Various bathrooms at CRLS shall be randomly locked, causing great inconvenience to those in need of relief. There shall be no apparent reason whatsoever for this action.

Amendment 9 — Food shall be eaten in the cafeteria, or outside of the school (weather permitting), but under no circumstances may food purchased in one of these areas be transported the thirty or so feet to the other area.

Amendment 10 — If a student is temporarily disabled due to an injury and is unable to climb stairs, he or she will be granted an elevator key, provided that he or she somehow manages to make it to the 4th floor to obtain permission from the nurse for such a key.

Amendment 11 — Because of the recent evidence that walkmans cause irreversible learning disorders, they shall be banned from the school, especially during study hall when they are most harmful.

Amendment 12 — The stairwell by the Student Service Center shall never be cleaned, so as to conduct a biological experiment pertaining to the growth of certain strange organisms.

Amendment 13 — Students may hear music between classes in place of bells, and begin shuffling papers and stuffing bags up to five minutes before the bell.

Amendment 14 — Students shall be given the opportunity to purchase donuts and juice in the morning in order to wake up and get some semblance of breakfast.

Amendment 15 — Seniors are susceptible to the inevitable disease . . . SENIORITIS!!! The symptoms of this disease include intense laziness, chronic class cutting, and oversleeping (sometimes to the extent that those afflicted sleep through the entire school day). There is only one known treatment for this disease; A tropical island in the Caribbean known as The Grand Bahamas.

Opening Day

The first day of high-school is certainly a day to remember. As seniors now, it seems like a life-time ago. We all remember that awful day in September when we woke up with butterflies in our stomachs. It was HIGH-SCHOOL, WOW!!! We all came to the front of this big building, and stood around in little groups from our grammar schools. Then, that crazy music played, and we all filed into the auditorium. "How will I know where to go?" "Will I have any friends?" "Do I really have to stay?" These are all questions which we asked ourselves.

Now, as seniors, we have the answers to those questions. That "building" we stood in front of is now our home, and we are all planning to leave it soon. That scared feeling we all had in September three years ago will turn into a feeling of sadness when we leave. A lot has changed in four years!!

Those of us who went will never forget the Junior Class trip to the "Ridin' Hy" Dude ranch. We spent three days and two nights there, during which time we skied, swam, went snowmobiling, ate (although it is safe to say that the food wasn't the high point of the trip), played pool, partied, rode horses, danced to the unforgettable music of "Stampede", and generally chilled out. People had a great time, but everyone realized of course that they were just warming up for the REAL TRIP.

Semi-Formal

This year's Junior Semi-Formal was surely something to remember. It was held at the elegant Marriott Hotel. Almost 150 juniors showed up for this year's junior prom, and everyone had a good time. The night began with a fancy ride in a limousine to the front door of the hotel. The doorman opened the door making everyone feel like royalty, and on that night, everyone was. All the girls were dressed in beautiful dresses, and the guys were looking mighty G.Q. in their tuxedos. Then, the nights activities were about to begin.

As soon as one entered the room, a person could feel the magic of that night! Soon, everyone began to dance and socialize, but then — the FOOD!! (yuck) Dinner was something a little less than appetizing, but soon after dinner, everybody began to dance again. The night closed off with parties, or a get-together at Kelley's Roast Beef. It was a good time, but nothing compared to our Senior prom!!

BAHAMAS

The Bahamas, mythical dreamland of sun, crystal clear water and powdered eggs became a reality for the 110 seniors who escaped the New England winter for four days in paradise.

While there, the eager students and chaperones did everything under the sun (pun intended). We tanned, swam, ate, drank, scuba dived, para-sailed, gambled, partied hardy at the Palace and Panache, jet-skied, shopped, played volleyball and shuffleboard, went sightseeing and some of us partied on the pirate boat while others fed the fish.

In the words of the class of 85:

The water was wet;
The sand was sandy;
The sun was hot, and
The nights were dandy!

All in all it was the time of our lives and will not be forgotten. There is only one way to describe it . . .

Hot Hot Hot!!!!!

YEARBOOK

The Yearbook Staff: (L-R) Evroy Anglin, Jonathan Williams, Jason Vickery, Farousse Negga, Nick Forsythe-Fandetti, Derek Amenkowicz, Eleonore Cabot, Ari Le Vaux, Lisa Zeigler, Heather Lewis, Helen Furtado.

Derek and Ari, the Copy Editors from **HELL!!!!!!!**

It all started 10 months ago in a small, dark room. Not everyone knew each other, but it didn't matter. We shared a dream. What was this dream? Our dream was to make the best yearbook **EVER**. To go beyond the limits of the imagination, to achieve in all areas, to boldly go where no yearbook staff has gone before! This was our dream. This dream has now been realized in the opus that you, the recipient of our blood, sweat, and tears, are now beholding. Our starting roster includes:

Jason Vickery — Captain, Head Honcho, The man with the plan.
Derek and Ari — The Kings of Copy, Partners in print (Both with inhuman amounts of pull).
Jon and Lisa — The Lords of Layout.
Eleonore and Heather — All purpose, multi-talented, utility women, Invaluable to the cause.
Nick and Farousse — Photographic experts (but Nick can't ski).
Evroy and Jimmy — Versatile, able-bodied, utility men.
Helen Furtado — Assistant Editor
Al Ferreira — Some loser who we felt sorry for, so we let him think he was advising us.

In the words of the Immortal Derek Amenkowicz — **"It's Ovahh!"**

STAFF

Jason Vickery — Editor in Chief

Al Ferreira — Yearbook Advisor

Thank you! To all that made contributions to this year's yearbook. We started the year with a large group of seniors that had an interest in this production and that task fell to a dozen students that were able and willing to put in the hundreds of after school hours (also three 10 hour Saturdays and a Sunday thrown in for good measure).

This year's staff also included Woon Soon Lee, a first year house D student gaining experience for the class of 1991. "The buck stops here!" award goes to Jason Vickery for his ability as an editor to maintain the good of the whole above his personal opinion. Jason inspired the staff to keep its goals on line and on time.

The lighthearted nature of this page reflects the goodwill that this staff shared throughout the year.

As Advisor I had very little hands-on work asked of me, my time was spent lending support to this spirited group of hard-working young people. Their cooperation with each other has given new meaning to a student production.

Congratulations!
Al Ferreira

And remember you,
As you have always been.

DRAMA FESTIVAL BLOOD WEDDING

Last year's production of **Blood Wedding** won the state finals of the Massachusetts High School Drama Festival, judged best of seventy-five schools entering the festival from across the state. This year, the Drama Department's production of **Homestead** continued the tradition of excellence by once again winning the state championship. These are the first back-to-back state titles in C.R.L.S. history. In addition, four seniors were named to the All-State cast. Honored for their outstanding performances were: Chad Leith, Dylan Jones, Rachell Sanel, and Chip Greenidge. Unfortunately, photographs of this year's production did not make copy deadlines.

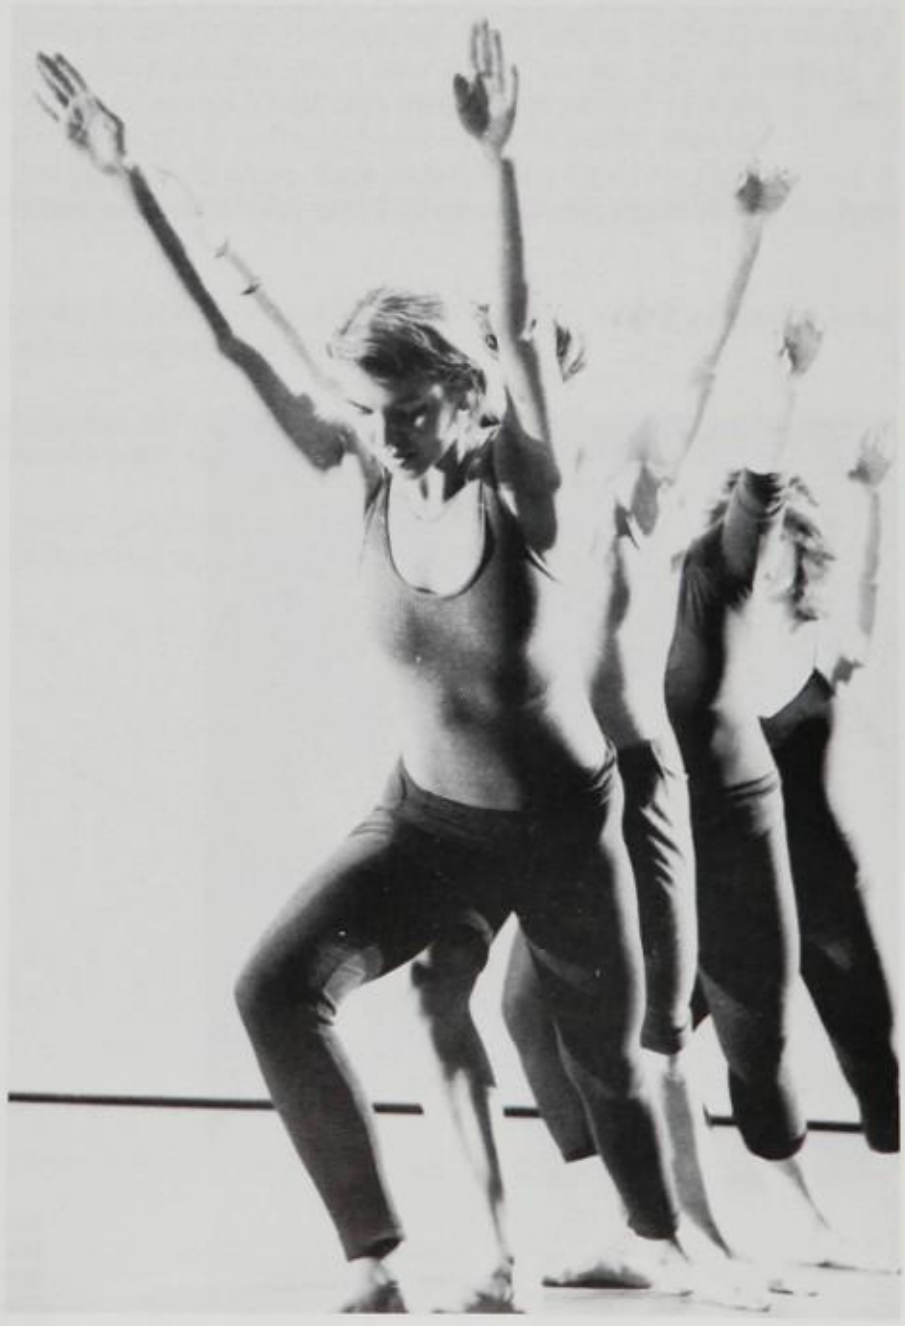
"DANCE"

"NICE WORK IF YOU CAN GET IT"



GOODBYE 1987

1. An earthquake that measured 6.1 on the Richter scale hit Southern California in October. It was a not catastrophic quake, but the damage was extensive.

2. A barge filled with 3,128 tons of garbage became a national joke and a symbol of the nation's worsening problem with solid waste management. The barge looking for a place to dump its cargo, was banned by six states and three foreign countires before an incinerator reduced it to ashes.

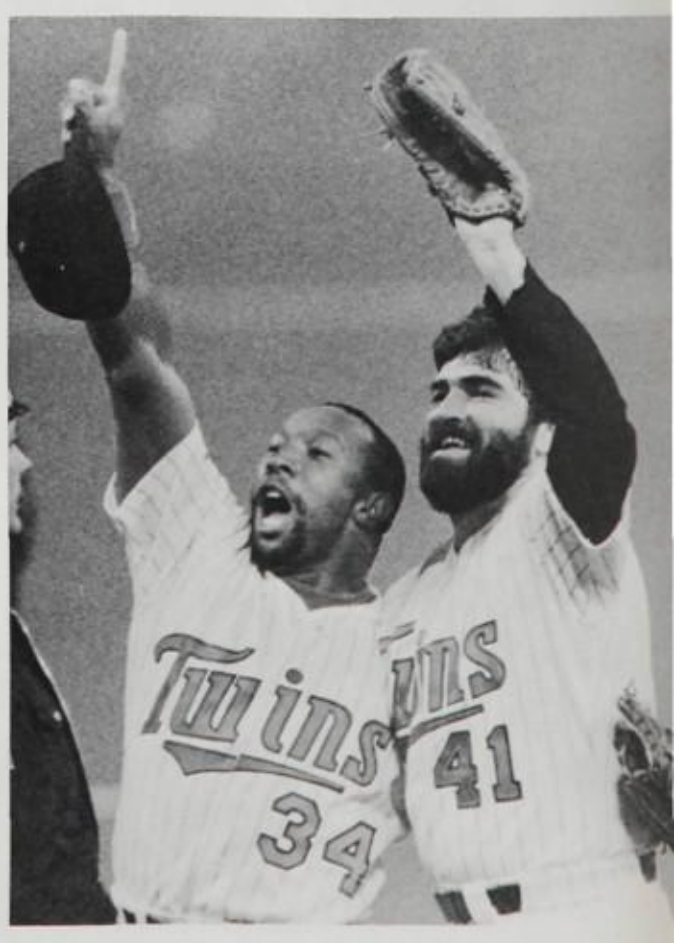
3. President and Nancy Reagan wave to well-wishers after a return to the White House following Nancy's breast cancer surgery.

4. Dennis Conner, the man who lost the America's Cup in 1983, won it back four years later. The Stars & Stripes completed a 4-0 sweep over Australia's Kookaburra III in the race that took place in Australia.

5. Marine Lt. Col. Oliver North was a key official in the plan to finance anti-government rebels in Nicaragua with money from arms sales to Iran. In testimony before the Iran-Contra hearings in Washington, North became somewhat of a celebrity.

6. In an effort to keep the Persian Gulf open to navigation, the United States began in July to escort vessels to protect them from Iran. In September the U.S. Navy blew up an Iranian ship that was caught laying mines in the Gulf. Several mines were confiscated.

Two of the top entertainers of the year were Whitney Houston and Madonna.



Kirby Puckett and Jeff Reardon of the Minnesota Twins celebrate their World Series victory over the St. Louis Cardinals.

7. Miss Michigan, Kaye Lani Rae Rafko, a nurse who shook up the talent competition with a Polynesian dance, was crowned Miss America 1988.

8. In the six years since Americans first heard of a mysterious immunity-robbing disease from which no one recovers, AIDS has killed nearly 25,000 Americans, millions of dollars have poured into medical research and President Reagan has proclaimed the plague "Public Health Enemy No.1."

DEATHS IN 1987:

10. Fred Astaire epitomized Hollywood's elegance for years dancing in top hat and tails.
Liberace, the glittering showman and pianist, captivated fans for four decades.
Lee Marvin, the gravel-voiced Oscar winner was among the good guys even though he often portrayed the hard-as-nails character.
Jackie Gleason was the blustering bus driver in the television series "The Honeymooners."
Lorne Greene played the firm but gentle father on television's "Bonanza."

11. The Dow Jones industrial stock exchange dropped 508 points, the largest in history, on Monday, October 19. Some called it a "crash", others called it a "meltdown" and others called it "Black Monday." Whatever it was, it stripped $500 billion from the market value of U.S. securities.

12. President and Mrs. Reagan greeted Pope Paul II when he arrived in Miami to begin a nine-city tour of the United States.

13. A 24-day strike by the NFL players ended in mid-October when the union capitulated and went to court instead of trying to fight the club owners at the bargaining table.

14. The Senate rejected President Reagan's nomination of Robert H. Bork to the Supreme Court by a 58-42 vote, which ended a long contentious debate over a judge alternately portrayed as a brilliant jurist and a dangerous extremist.

15. Democratic presidential candidate Gary Hart was forced to drop his bid for the presidency after it was reported that he was romantically involved with Donna Rice, a 29 year-old aspiring actress and model from Miami.

16. The Golden Gate Bridge in San Francisco celebrated its 50th birthday. About 250,000 people jammed onto the bridge for an anniversary walk across the span. Another 500,000 packed the bridge approaches but were denied access because the engineers feared the span could not support the weight.

Cambridge is a unique place to live. With it's many universities, it's high-tech industries, and it's liberal attitude, Cambridge draws students from the far reaches of the world. This is evident in the 68 countries represented by students at Cambridge Rindge and Latin School.

These students give C.R.L.S. a rich reservoir of cultures, perspectives, and backgrounds. From this wealth of diversity we are able to broaden our horizons, we gain valuable knowledge that cannot be found in textbooks. Individual contact breaks down stereotypes and gives us perspectives on our own culture as well as others.

A GLOBAL VIEW

G. Paige Giovinco

Ottawa, Canada

"Where I come from in Canada, there are miles, upon miles of farmland. I miss that easy-going life."

"A diversity like we have here is excellent. It keeps people open to different backgrounds."

Bon Chance, Classe de 1988!

Maceo Bishop

Detroit, Michigan

"The thing that makes Detroit different from Cambridge is that there are so many more poor people in the slums than here. It is real hard to find good work there."

"The one thing I like most about America is the freedom. The politics in my country limit personal freedoms to the very minimum."

"I think the school should do more to create a mixture of cultures. It seems that kids from similar cultures tend to group together. This is bad because people do not experience the differences in culture."

The CRLS Wilderness Club has a long tradition at our school. Starting out small, it is now over seventy-five members strong. Our activities have also grown significantly to include rock climbing, canoeing, backpacking, leadership training, hiking, cross-country skiing, winter camping, survival skills, first aid, and polar diving. Over the years we have also had the opportunity to award several Outward Bound scholarships which have taken our members to Hurricane Island, Maine, and the Smokie Mountains of North Carolina. Though we love Cambridge, there is something special about getting out there in the rough and challenging ourselves that we'd like to share with you through these photos. Mike Krasnow and the Staff wish to thank those who took part in our many cooperative efforts this year.

BOYS SWIMMING

Top Row(l-r) Lance Bicknell, Alexsi Suvanto, Seth Cooper, Alexis DeLacoste, Aaron Wunch, Maceo Bishop, Josh Pastereich, Andy Lee, Josh Bartholemeau, Coach John Samp, and Monroe "Bubby" Hearne. Bottom Row(l-r) Dave Tabors, Jeremy Cantor, John Weinstaf, Kari Milner, Erik Andleman, Jason Soto, and Ethan Bracken.

The Boys Swim Team finished with a record of 6-3 which was just a tad short for a tournament bid, but the team did accomplish many things this year. They brought a strong sense of unity to a very solitary and difficult sport, and they simply crushed Belmont for the first time in ten years.

This year's team was tri-captained by Josh Bartholomew, Andy Lee, and Seth Cooper. The team also consisted of one of the most talented array of seniors Coach Samp has ever had. They were Aleksi Suvanto, Lance Bicknell, Maceo Bishop, Dave Tabors, Alexis DeLacoste, and Aaron Wunch. These talented seniors have given their unique "know-how" to the next generation of Rindge swimmers for possible titles in '89. Thanks guys for a great year!

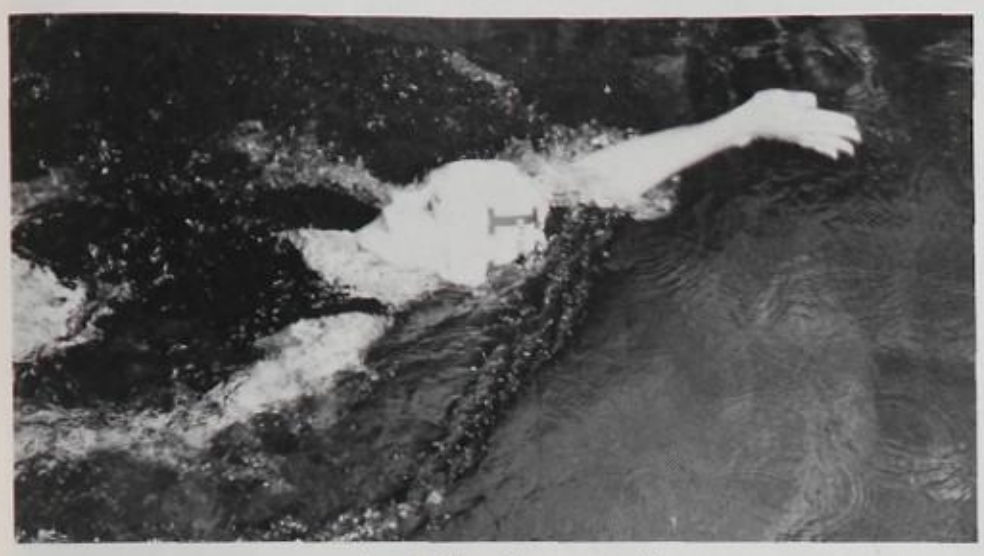
Girls' Swim Team



Lovely Lisa the mermaid

The Girls' Swim Team had a wonderful season. There was a lot of friendships and laughter throughout the year, and this fostered a very spirited team. Although our record was 2 and 5, many of our losses were due to injured members. We hope to compensate for these losses in the league meet.

Seniors Ruth Murray, Amy Castle, Lisa Ziegler, and Karla Greenleaf-MacEwan say good-bye to a wonderful family, and good luck next year!

Girls' Soccer

The Girls' Soccer Team this year was one of the best teams ever. This year marked the first time that they advanced to the state tournament, boasting a record of 11-5-2. They possessed the league's highest scorer, junior Jessica Ferraro, with 25 goals. The varsity team was led by Coach John Silva, and senior Tri-Captains Rachel Colannino, Lissa Galluccio, and Erica Herold.

Congratulations to all the girls on the team for an outstanding season and good luck, from the seniors, to next year's team!

Boys' Soccer

The Boys' Soccer Team began the season with a 6 game winning streak and were ranked No. 1 in the state. Unfortunately, the season didn't turn out to be all that they had hoped, but it was still a great year. They finished with a record of 8-6-2, and produced 3 All-Stars, senior captain Josh Bartholemew, senior Oscar Fernandez, and junior Matt Kropf. Other standouts were senior Captain Stephen Brimley, and senior Nick Forsythe-Fandetti, who as a goalie, broke the school record with 9 shutouts.

This was a building year for the Girl's Volleyball Team. There was a lot of effort and skill that went into the team, and within time the experience and unity will come. Since this year's team was young, next year's team will be tough to beat.

Although the season was not as successful as the team had hoped, there were still a lot of fun times, friendships and memories that will not be forgotten. The three seniors on the team — Captain Susan DiClemente, Melanie Hobbs, and Nicole Pacheco, will be missed next year.

Hockey

This year's Boys Hockey season was not as successful as in past years, but the feelings of friendship and loyalty were as strong as ever. This year's team was made up of many lifelong friends who have played hockey in East Cambridge for many years, and this friendship was what made this year's team so much more special. The team consisted of five seniors with three captains. The seniors were Craig Clavette, Brian Murphy, Joe Thorpe, Steven Gill, and Tom Pfister. The captains of this year's team were Craig Clavette, John Roderick, and Brian Murphy, and each of these all-stars contributed to Rindge and Latin's strong hockey program.

All five seniors have been playing hockey all their lives, and this experience has what has made each of them prime college material. The 1988 team also showed a lot of prospective talent in the underclassmen. As Coach Ferreira said, "This was a learning year; the boys skated their hearts out, and made Cambridge proud. We'll see what happens next year." Good Luck Next Year!

Bottom Row (l to r) Karem Harroz, John-Paul Loguidice, George Tsofonias, Steven Gill, Massimo Zanella, and Clinton Roderick. Top Row (l to r) Asst. Coach, Mike Renna, Joe Thorpe, Tom Pfister, John Roderick, Brian "Gunner" Murphy, Trainer, and Head Coach Sil Ferriera. Missing: Craig Clavett

Girls' Tennis

The 1987 Girls' Tennis team made it to the state tournament for the second consecutive year — also the second time in C.R.L.S. history. Senior Co-Captains Heather Lewis and Daisy Aaronian led the team to an impressive 9-4 record. Juniors Kari Hilsman and Sachitia Mumford also played an important role and will prove instrumental in the coming season.

Congratulations to the Girls' Tennis Team for their successful season and good luck to next year's team!

What? What do you mean we don't match?

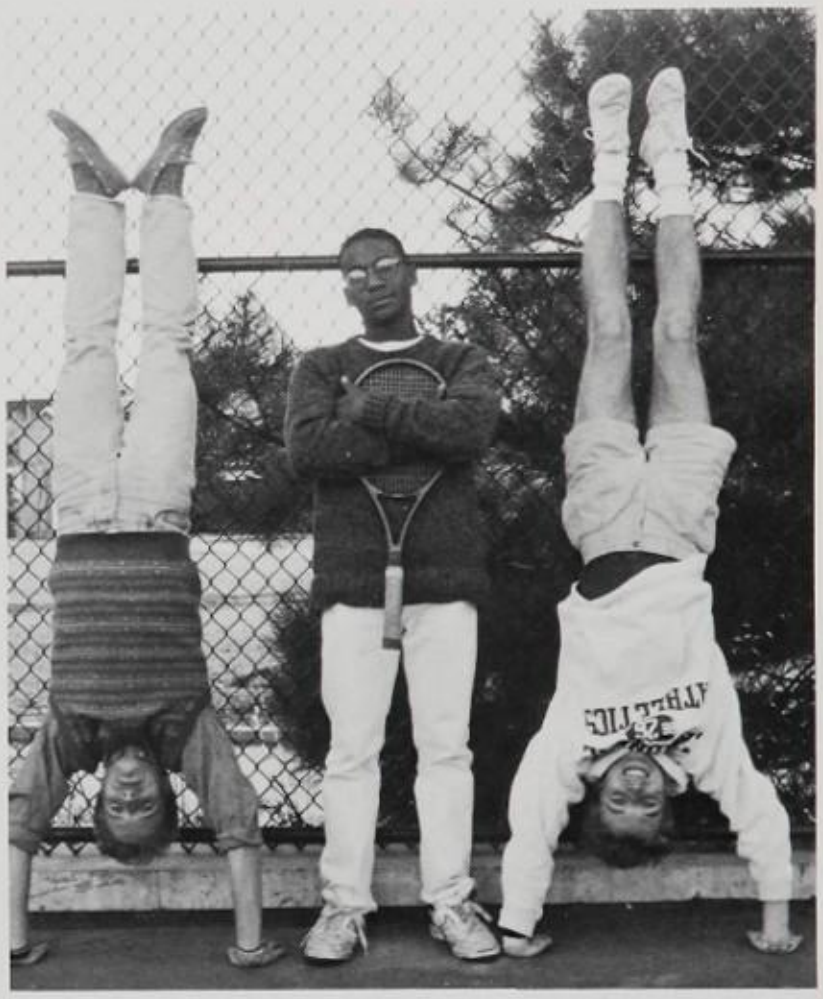
Boys' Tennis

In '87 the Boys' tennis team led by senior captain Mussie Zemui, finished the season 6-6, missing the State Tournament because of two close losses. Despite the team's even record, outstanding performances were put forth by the dynamic duo of Tage Larsen and Olof Ehrestrom, who had an eight and four record playing first doubles.

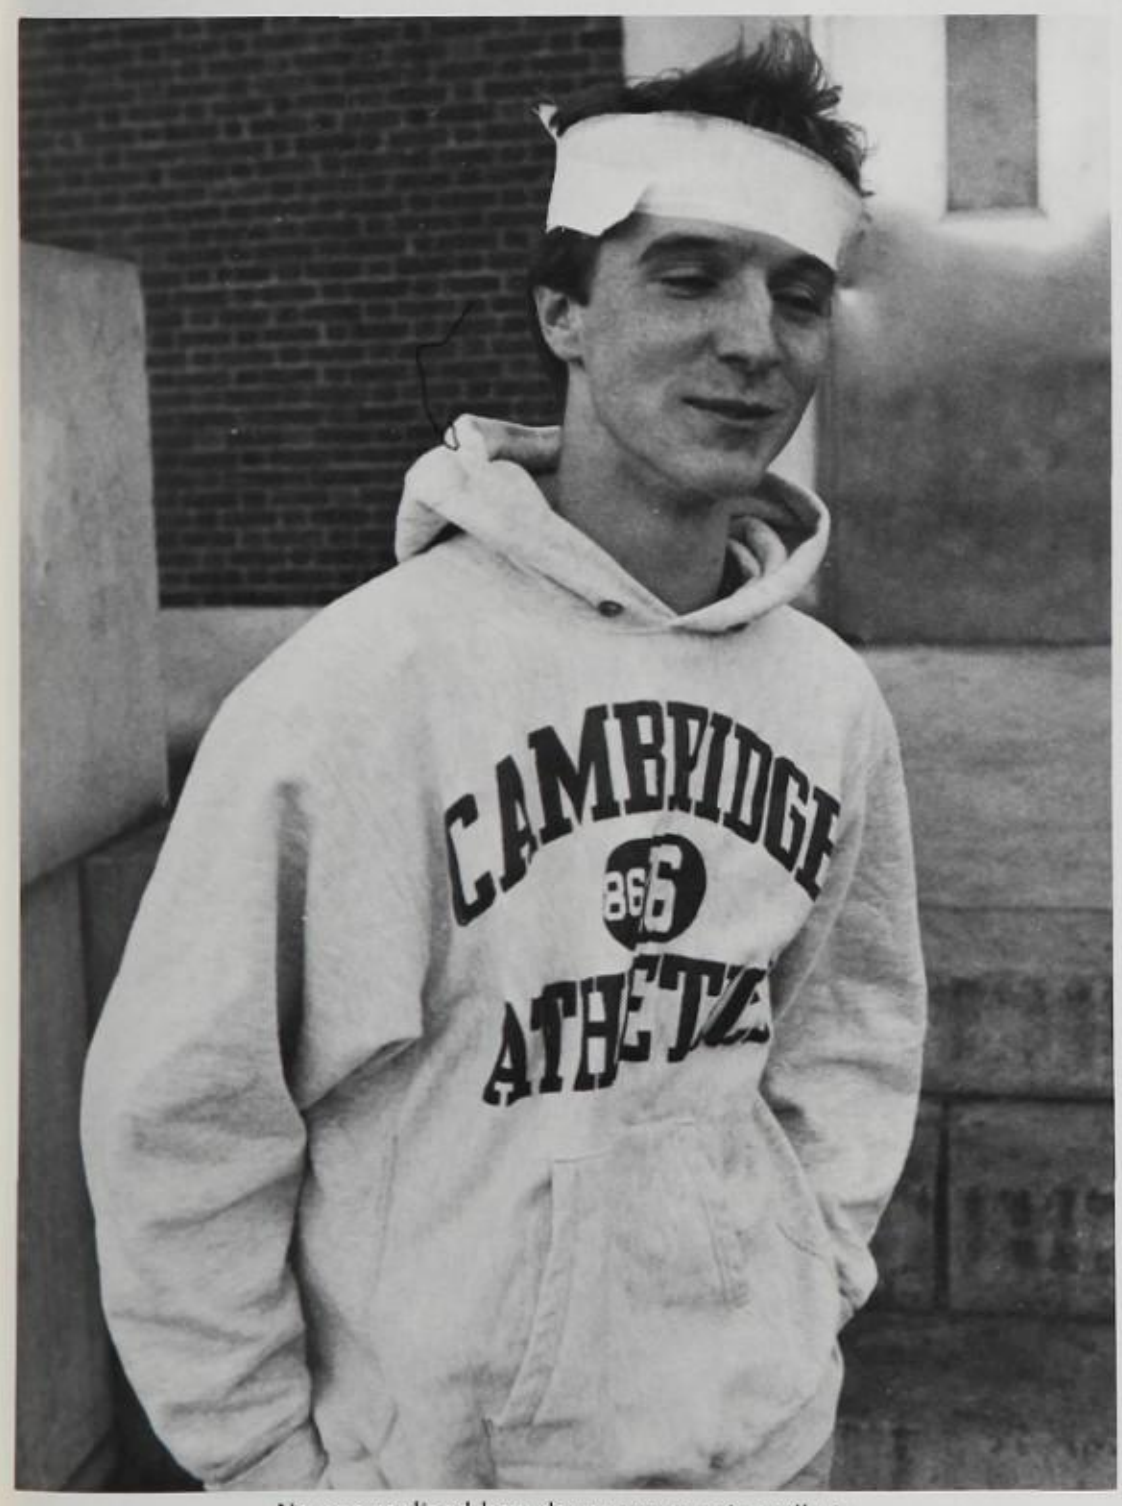
In '88 the team hopes to improve on its record and make it through the season without experiencing any more life threatening situations.

No matter what the outcome, the '88 team led by captain Tage Larsen along with seniors Jason Vickery and Aleksi Suvanto will turn the Suburban League upside down.

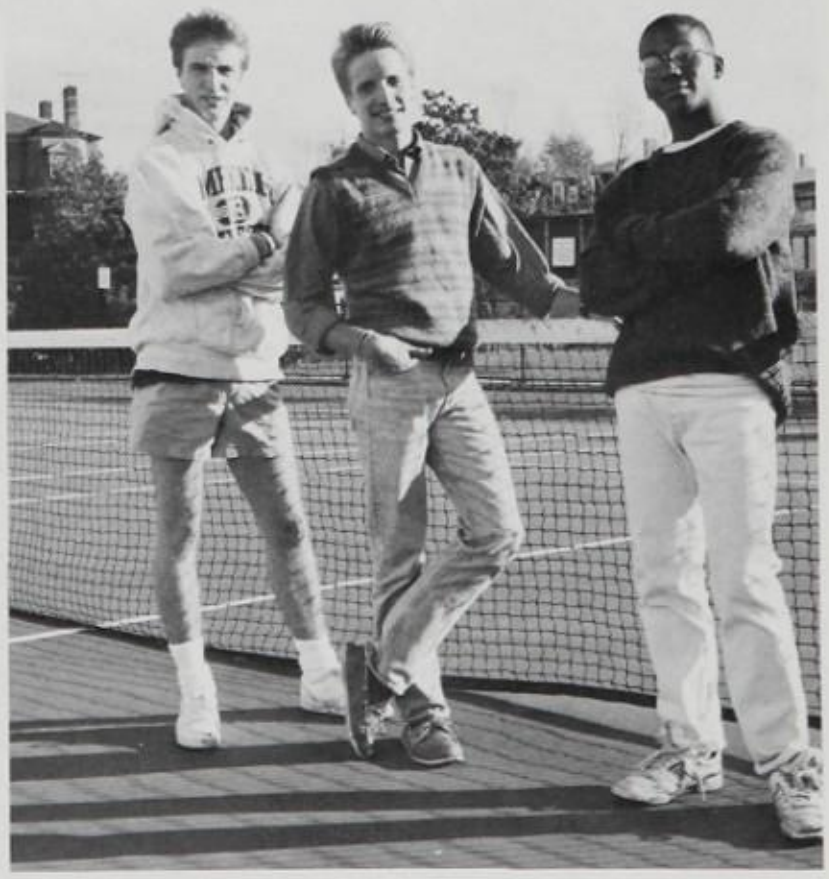
Tage stupefies his opponent with his awesome serve.



Without Tage, Boys' tennis would lie topsy-turvy.



No one realized how dangerous tennis really is.



Seniors Jason Vickery, Aleksi Suvanto, and Tage Larsen.

WRESTLING

The Cambridge Wrestling team struggled through the regular season with two of the three team captains missing due to injuries. The brightest part of the season was at tournament time where the individuals had a chance to shine. In the Suburban League Tournament Kurentsa Thompson and Shawn Yard made first team all-stars; Joey Russel and Judah Hughes made the second team with Malcolm Mitchell finishing a strong third. In the sectionals Kurentsa, Shawn and Joey made the states while Captain Roy Howard went as an alternate. Danny Calvert missed the entire year because of knee damage suffered in the Brockton football game but had excelled in the sport his Junior year and during off-season competition.

Top Row(l-r) Kif Dannaker, Malcolm Mitchell, Jesse Kelstor, Jason Agee, Shawn Yard, Dave Figueroa, Coach Jerry Audet, Larry Glaser, Kurentsa Thompson, Danny Calvert, Judah Hughes, Steven Kim, Rui Fernandez, Assistant Coach David Goodwin, and Referee Joey Audet. Golf Team

The 1987 Golf Team (Yes, There is a golf team) had a very exciting and productive season. We had our ups and we had our downs, Mostly downs; but that's not too bad considering what we were up against: Brocton, Brookline, and North Quincy, all rated teams. We did have plenty of fun out there on the links though "T"ing off into the sunset or into the water, it didn't really matter, even if we did get out shoes wet retrieving the balls. All in all, the season was a fun one that revealed many promising young golfers.

A nice "walk" in the park.

June finishes strong.

This year's Girls' Cross Country Team finished with a record of 3-3 in the Suburban league. They were led by senior Captain June Parks, seniors Kristen Smaby, and Leigh Simpson, and freshman Sarah Chapin.

Although the season had it's disappointments and injuries to key runners, the team ended with taking 12th place in the O.L.P. Invitational in Rhode Island, 2nd at the Bedford Invitational, and 10th in the Catholic Memorial Invitational.

The girls look forward to the State Division I and the All-State Meets, good luck!

"We continue to improve, and we still have time to reach our goals."

— Coach Sousa

BOYS CROSS COUNTRY

The Boys Cross Country team continued its strong tradition again this year with a (5-0) record which led them to another Suburban League Title. The boys' team has won this title many years in a row, and this year's talented team was one of, if not, the best!

The team was led by talented seniors such as Jamalh Prince, Scott Cody, Richard Campbell, Farousse Negga, and Jason Greene. Also, one of the highlights of this year's team was that Scott Cody broke Rindge and Latin's three-mile record with a time of 14:28. Even with such talented achievements such as Cody's, the team still had a strong sense of unity and team spirit. Coach Bob Maguire does not feel discouraged about losing such talented seniors, "Our team has improved over the last four years, and it will continue to improve in the future." Good luck next year!!

BOYS FOOTBALL

The Football team started out the year with a victory over Quincy, but as games continued, victories were hard to come by. "The team had much more talent than was shown on the board," said quarterback Dennis Vigilante. Injuries and bad calls did not help the Warriors, but they showed determination and school pride, even through the bad times. The team's greatest success was their sense of unity. They stuck together through the rough times, always as a team, and that is hard against opponents like Waltham and Brockton.

The team was led by four very talented captains, Danny Calvert, Joe Crowley, Chip Greenidge, and Dennis Vigilante. Each captain shows a promising college career, and also, each captain felt their team showed "a good attitude, strong team spirit, and unquestionable devotion." As Coach Wadie Geraigery said, "Their tough schedule did not curtail their effort or enthusiasm." Good luck next year!

Seniors on team: Scott Lewis, Matt West, Danny McNeill, Dennis Vigilante, Dan Calvert, Jow Crowley, Chip Greenidge, Brian Murphy, Damon Banks, Arcelio Davis, Bobby Desousa, Jeremy Walsh, Fanchen Cox, Justin Holmes, Steven Fagan, Evroy Anglin, Daryl Nunes, Sal Spartachino, George Silva, Jamalh Jean-Pierre, and Anthony Greene.

GIRLS CHEERLEADING

A lot of people feel that cheerleading is a social event and not a sport, but talk to the cheerleaders about that. In the past, Rindge has not had a strong cheerleading program, but through hard work by these girls, Rindge has one of the best programs in the Suburban League. Cheerleaders go through rigorous practices just like the Football team or Basketball team would go through. Not only cheering, this year's cheerleaders have learned a lot more. "I gained so much school spirit. It was a lot of fun," as was said by co-captain Sharon Petrillo. This year's cheerleaders were short on experience, but strong on energy and determination. It takes a lot to go out there and cheer when your team is losing, and that is the perspective of this year's squad, "that enables us to work as a team." School sports teams owe a strong thank-you to our cheerleaders.

BOYS BASEBALL

Top row (l to r) Mr. Sullivan, Damon Banks, Scott McGaffigan, Steven Milosavljvic, Daryl Nunes, Mike Wozniak, Ramon Gonzalez, Patrick Lowry, Aaron Foley, "Pa" Fulginite. Bottom row: Mark Frazier, Jim Edgehill, Craig Campbell, Jason O'Connell, Mike Jarvis, Victor Espada, and Coach Bill Fulginite.

This year's Boys Baseball team will be very interesting to watch for its results. This year's team will be the youngest team C.R.L.S. has ever fielded in its history. With only four veteran seniors returning, Coach Fulginite will have all he can handle, but even with this setback, the team will stand strong.

The team was lead by star seniors Damon Banks, Steven Milosavljvic, Mike Wozniak, and Daryl Nunes. All four players are strong defensive, as well as offensive players. Nunes and Banks are celebrated pitchers in the Suburban League, as well as Senior Babe Ruth. Wozniak is one of the best catchers in the league, and Milosavljvic is a superb infielder. The team also has a strong line-up of juniors who will make next year's team indestructible. Watch for this junior/senior chemistry to burn the Suburban League up in 1988!

GIRLS SOFTBALL

Girls softball has had a long tradition at Rindge, but it has never really been publicized in the past, but now, it's all over the place. This year's turnout numbered 50 potential candidates; each possessing that special skill to bring a championship home to Rindge.

This year's team was led by Mr. Al Priest, his first time as head varsity coach. Mr. Priest felt that this year's team was, "very competitive. It was a rebuilding year because in '87 we lost a lot of our seniors." Even with this loss of excellent senior material, junior varsity and returning varsity players made Rindge and Latin proud on the baseball diamond. As Coach Priest said, "They all had a very positive attitude."

Due to the fact that the Girls Softball team has not been chosen at the time of this deadline for the yearbook, we regrettably could not have any pictures for this sport. This sort of occurrence is a mere inconvenience of time. Thank you.

GIRLS INDOOR TRACK

This year's Girls Indoor Track team continued its strong tradition with its capture of yet another Class A championship trophy. This year's team was led by senior captains Leigh Simpson and June Parks. Also assisting in their victories was senior Colleen Walker. The team finished with a record of 2-4, but as Leigh said, "The team was strong this year, real strong. Our record did not represent our full potential," and this is true. The team consisted of three All-Stars: Leigh, June, and Shirley Licorish who continued Rindge's spirit in All-Star competition. Congratulations on a successful year!

Top Row(l-r) Denise Banks, Shelley Goodhue, Sarah Dunbar, Julia Heredia, April Deaver, Deanna Washington, Hillary Thompson, Shirley Licorish, Laura Okum, Alexis Nichols, Sarah Cooper, and Coach Joseph Sousa. Bottom row(l-r) Mary Jane Williams, Coleen Walker, Leigh Simpson, June Parks, Maya Mauch, and Michele Earle.

"Hey, nice pitch there."

The Jumping Beans of Rindge.

"Where are you going with that baton?"

"Look, I can do this without my magician."

BOYS INDOOR TRACK

One of the many continuing things at Rindge is the fact that we have the best track teams in the state! Once again, Coach McCarthy and his boys have brought a Class A trophy and the All-State Championship back to Rindge and Latin. The team finished with an overall record of 7-1. The captains of this mighty team were Shawn Burke, Scott Cody, and Jamalh Prince. Each of the captains were also All-Stars this year with the help of another teammate, Randy Barrows.

The team was manned by a talented squad of seniors including Farousse Negga, Jason Greene, and the three All-Stars. This year marks the end of Cody's, Burke's, and Prince's domination of track at the high-school level. All three have been dominating in track for the past four years, and with the help of talented underclassmen, the team should continue strong. As captain Shawn Burke said, "They all did their best to pull together and to win in the clutch."

GIRLS BASKETBALL

Rachel displays much hang time!

The Girls Basketball team did not fare as well this year as it has in the past, but it did produce strong All-Stars and a strong sense of team spirit. This year's team was led by senior captain Tammy Jones who was also the Suburban League All-Star. The team also consisted of seniors Nicole Pacheco, Rachel Collanino, and Edith Piere who helped Jones pace the action for the Rindge. Their victories were short, but this year was special because many of the girls have been playing basketball all their lives together and this year marks the end of an era.

As stated by Audrey Cabral, this year was a learning and building year for the future teams of Rindge and Latin. Many new and promising junior varsity and some returning varsity players will make fast action next year. Good luck girls.

Top row(l-r) Coach Audrey Cabral, Maria Mantia, Sarah Chapin, Kanitha Moore, Stephanie Crayton, Linda Frisoli, and Asst. Coach Belloste. Bottom Row(l-r) Kari Hillsman, Rachel Collanino, Tammy Jones, Nicole Pacheco, and Edith Piere.

BOYS BASKETBALL

Top Row(l-r) Coach Tom Herrion, Coach Al Coccoluto, Ron Lamming, Omo Moses, Craig Berry, John Lewis, Eric Rollins, Matt Hagman, Colin Lawson, and Coach Andy Beck. Bottom row(l-r) Devon Thomas, Alex Schrebler, Dan Nahas, Earl Williams, Kevin Paulding, and Jake Murray. Missing: Damon Banks, Bruce Martins, Lorenzo Bailey, and Coach Terry Matthews.

The Boys Basketball team for 1988 seem just like a carbon-copy of other; their real champions. Basketball has always been a strong tradition at R&L, but its intensity and drive seem to grow each year. This year's team was certainly in that category. The team was captained by senior Dan Nahas who has been a warrior for four years. The team also consisted of some of the best senior material in the Suburban League. Seniors Jake Murray, Earl Williams, Alex Schrebler, Devon Thomas, and Kevin Paulding led the team to an impressive record of 12-8.

The team was also not without its own individual All-Stars. This year's stars were Dan, Jake, and Earl. Even with these individual stars, the team had a strong sense of spirit and friendship which is best stated by senior Alex Schrebler,, "We achieved more than anyone thought we would!"

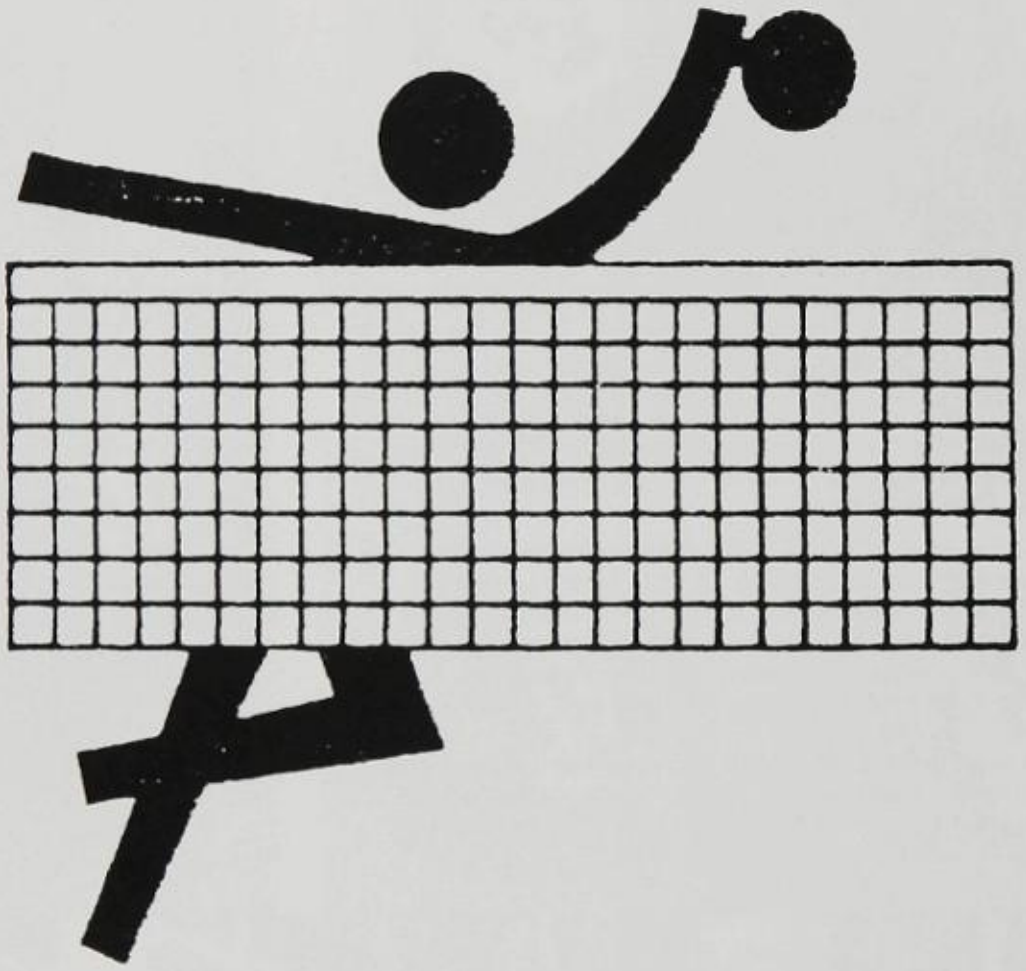
Dan on the offensive!

Nice armpits Jake.

Up, Up, and away.

Rindge fights for the points.

BOYS VOLLEYBALL



Boys Volleyball is one of the new sports which has been introduced to Rindge in the last ten years, but its turnout and success are astronomical. The team's record for 1987 was 13-5 which placed them second in the Suburban League. This is an accomplishment seeing that it was only their second year as a team.

This year's team promises much more on the court. The team will be led by seniors Maceo Bishop, Anthony "Dish" Borelli, Felix Mathieu, and tri-athlete Roy Howard. Their head coach is the ever-talented Linda Town, and Ms. Town feels that, "Boys Volleyball will be the new, shining star in the Rindge athletic program."

Due to the fact that the Boys Volleyball team has not been chosen at the time of this deadline for the yearbook, we regrettably could not have any pictures for this sport. This sort of occurrence is a mere inconvenience of time. Thank you.

IN MEMORIAM

Students and staff were saddened to learn of the death of Mrs. Waldman. Mrs. Waldman *had been involved in the Cambridge Public School System for many years, and taught as a Resource Teacher in the Fundamental School for the last three years. She was born a German-Jew, and was a survivor of the Auschwitz concentration camp.*

As described by her colleagues, "Henny was indomitable." Her perspective on life was that if one student learned from her, her life was an accomplishment. As quoted by her close friend Mr. Johnson, "she was like my sister; she gave dying dignity," Mrs. Waldman was married and survived by four sons.

Best Wishes to the Class of 1988!

Special congratulations to those graduating seniors who came from other countries, struggled to master English and adapt to life at C.R.L.S., and here took their first steps toward a successful future in the United States. We're proud of you!

Dear Class of 1988,

This page is dedicated to all of you who are my present students, those of you who will be in the spring, and those who have been during all of my 17 years of teaching in Cambridge. The highs and lows of each year, and even each day, are directly keyed in to who you are and how you respond. I have been intellectually challenged and stimulated by many of you. I have been confronted with thoughtful quéstions which have contributed to my growth as a teacher and a person. So, it is with thanks for all you have given to me that I dedicate this page to you, with all of my wishes that you "reach for the moon," push yourselves to grow in every way humanly possible and keep in mind that in order to make this imperfect world the best of all possible worlds, it will take each of our individual efforts, our courage, our imagination and our energy.

With my thanks,
Phyllis A. Bretholtz

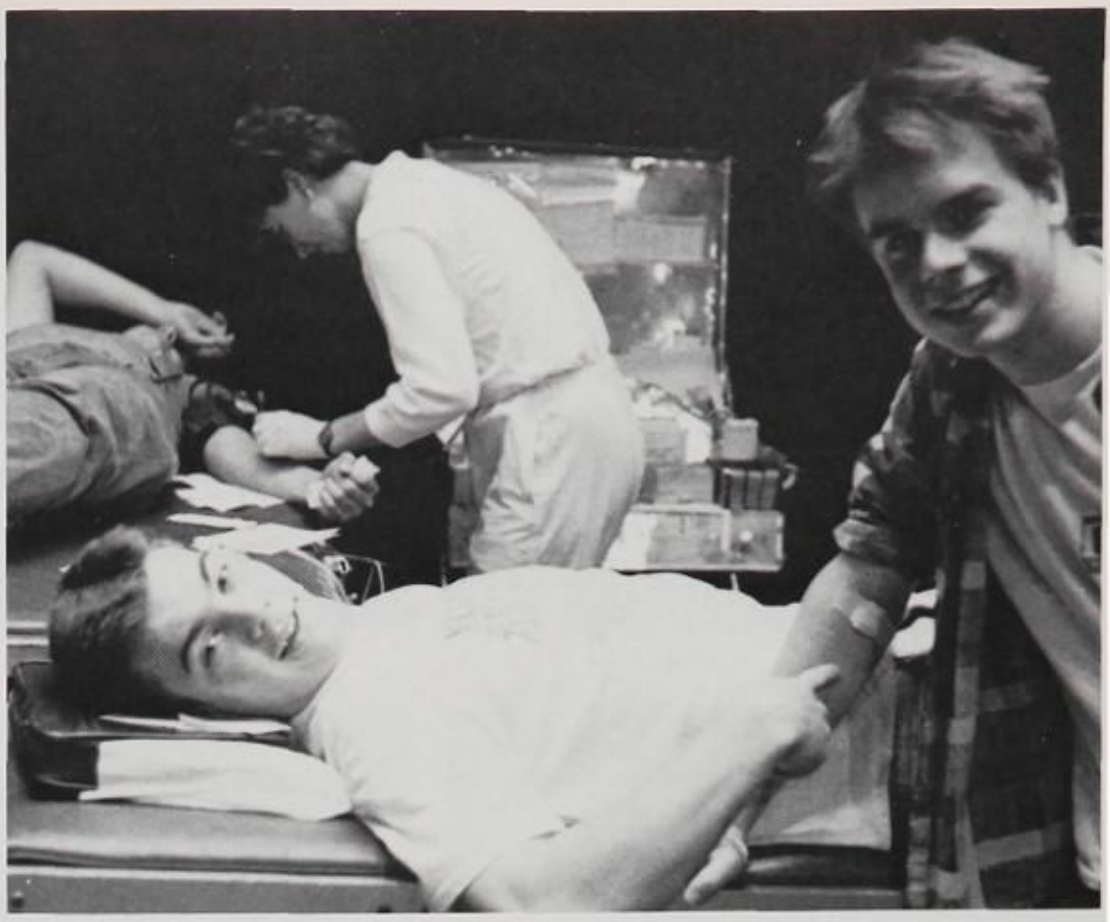
The Invitation!!

The annual C.R.L.S. Blood Drive is certainly not the most social gathering point for students, but it is one of the most important. The annual event is sponsored by the Red Cross and our own nurses. A great number of students turned out to contribute, and it is even more important to donate blood in the recent wake of the AIDS' epidemic. As the Red Cross said, "Any and all clean blood is needed to help fight this deadly virus." And certainly as all warriors do, we got out there and fought (or well, donated). Keep up the tradition!

Is this a nurse or DRACULA!!



It doesn't hurt, honest!

"Now young man, sign this so we don't get sued."
